MAKE / BRAND

Ardisam

PRODUCT / MODEL

Tazz K32 Chipper Shredder

Engine: Viper 212cc OHV

SERIAL NUMBER

018812 04861 090116 0051

ISSUE / REMARKS — PLEASE READ CAREFULLY

CONDITION: Engine non-operative. Unit stored approx. 2-3 years with fuel remaining in tank and carburettor.

SUSPECTED CAUSE: Varnished / gummed carburettor from stale ethanol fuel. Engine will not start.

REQUESTED WORK:

1. Carburettor — rebuild or replace (whichever appropriate)
2. Replace fuel line
3. Replace fuel filter
4. Replace spark plug
5. Inspect cylinder bore before first start attempt

⚠ Please call with estimate before proceeding with any work.
